CONFIDENTIAL

CONFIDENTIAL 25X1 -2-Organization of Civilian Defense (CO - Civilni obrana) at MEZ, Vsetin 25X1 chemical and bacteriological warfare group. There was also a fire fighting group and a first aid group. Every other week meetings were conducted for members of CO groups, right at the plant. Members were notified to attend such meetings by individual notices. 25X1 the meetings were conducted halfheartedly and lecture courses were given by some of the MEZ employees. They used some sort of textbook and it was evident that they were not specialists in the topics on which they were lecturing. the courses covered certain phases of civilian defense and 25X1 included such topics as chemical and bacteriological warfare, fire fighting, and first aid. 5. 25X1 the notices informing members of this organization about their meetings were always signed by a certain MEZ chemist 25X1 . 1 25X1 6. one other civilian defense organization besides the one at MEZ Vsetin. 25X1
